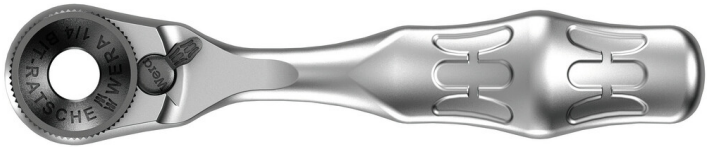
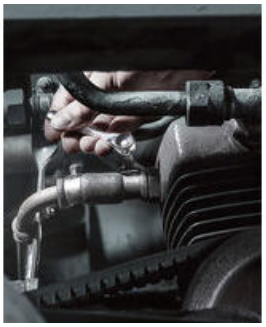
8001 A SB Bit Ratchet with 1/4" drive, 1/4" x 87 mm, 1/4" x 25 mm, 2 pieces



EAN:	4013288144638	**Size:**	180x60x16 mm
Part number:	05073230001	**Weight:**	126 g
Article number:	8001 A SB SiS	**Country of origin:**	TW
		Customs tariff number:	82041100

- Suitable for direct take-up of bits with 1/4" hex head drive
- Drop-forged, full-steel design
- Torque of over 65 Nm
- Fine-pitched ratchet mechanism and small return angle of 6
- Ideal for working in confined spaces

The Wera Mini ratchet. Simple operation, even with just one hand, in confined working spaces. Drop-forged, full-steel design and fine-pitched mechanism with 60 teeth that allows a small return angle of 6° for precise working. The thumbwheel allows rapid fastening in confined situations when there is no space for ratcheting. Easy left/right switchover. Ergonomically designed ratchet head and lever. Suitable for ¼" bit and socket take-up.



Zyklop Mini

The Zyklop Mini Ratchets

For all difficult-to-access applications.

The Zyklop Mini

The fine tooth mechanism, with its 60 teeth, allows a small return angle of only 6° - ideal for precision work.

Rapid screwdriving

Thumbwheel enables rapid screwdriving, even when there isn't sufficient room for ratcheting use.

Simple direction change

Simple switching between left/right operations.

Slim design

Its slim design makes it ideal for all particularly confined working situations.

Is such a small tool sufficiently resilient?

The Zyklop Mini 1 can withstand a torque up to 65 Nm. That is far more power than can normally be transferred to such a small tool.

What parts can be connected to the Zyklop Mini 1?

Bits and sockets. Bits can be connected directly. However, a holder can be connected first and then the bit can be attached to this. This then serves as an extension with a free-turning sleeve. An adaptor e.g. Wera 870/1 is needed for sockets - ¼" hexagonal on a square drive (included in the Bit-Check and with the individual Zyklop Mini 1 in the set).

Set contents:

8001 A Bit Ratchet 1/4", 1/4" x 87 mm

1x 1/4" x 87 mm

870/1 Adaptor, 1/4" x 25 mm

05136000001[1] 1x 1/4" x 25 mm

1) With friction ball; for manual nut spinner sockets
