Prism Pro XM Anti Glare

Prism Pro XM Anti Glare Fire Rated Downlight

Code: APRIPAGXM/1

PRODUCT FEATURES

- 220-240V IP65 LED dimmable, anti-glare CCT fire rated architectural downlight suitable for residential and hospitality applications
- CCT selectable between 2700K, 3000K, 4000K and 6000K and power selectable; offering a choice of 2 outputs, in one luminaire
- Patent-approved modular design with replaceable light engine and driver — extend product life and reduce waste through easy part replacement.
- Anti-glare design to create visual comfort
- TM66 2.5 assessed – independently evaluated against the industry standard for measuring the circularity of lighting products.
- Innovative 2 part detachable connector design allows initial wiring and testing to be completed first, then simply plug the downlight back to the connector, ensuring a quick and simple installation
- Supplied with matt white bezel as standard. Chrome, satin chrome and matt black bezels sold separately
- Fast-fit plug with lever terminals provide easy connection
