Prism Pro XM

Prism Pro XM Fire Rated Downlight
Code: APRIPIXM/1

PRODUCT FEATURES

- IP65 dimmable LED Fire Rated Downlight suitable for residential and hospitality applications
- CCT selectable between 2700K, 3000K, 4000K and 6000K and power selectable; offering a choice of 2 outputs, in one luminaire
- Patent-approved modular design with replaceable light engine and driver — extend product life and reduce waste through easy part replacement.
- Low profile design allows installation into shallow ceiling voids
- TM66 2.5 assessed – independently evaluated against the industry standard for measuring the circularity of lighting products.
- Innovative 2 part detachable connector design allows initial wiring and testing to be completed first, then simply plug the downlight back to the connector, ensuring a quick and simple installation
- Fast-fit plug with lever terminals provide easy connection
- Fully tested for 30, 60 and 90 minute ceiling types to meet Part B of Building Regulations
